ABOUT

Villa Horizon

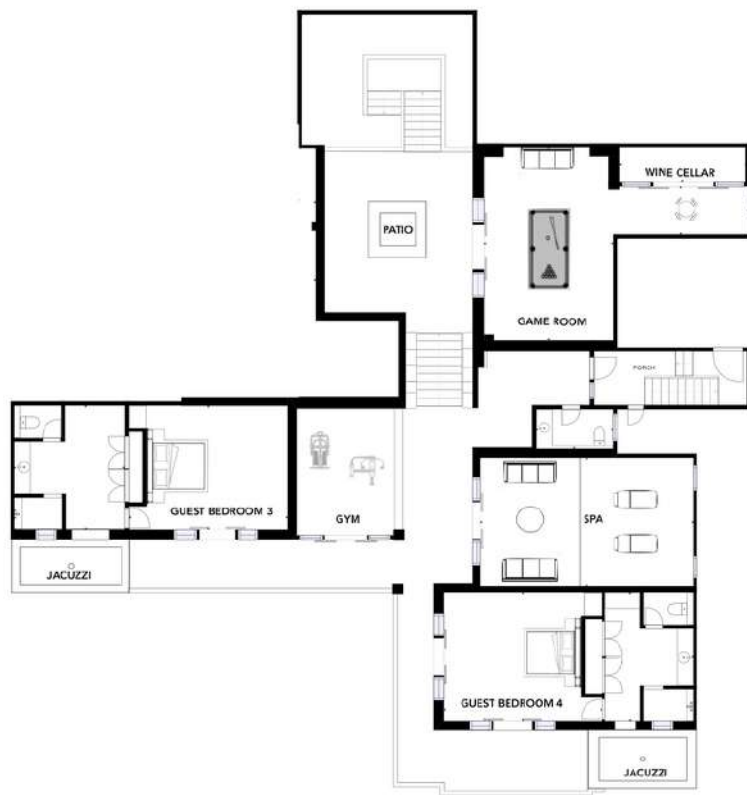

AN EXCLUSIVE, ELEVATED, AND SECLUDED SUMMER HAVEN SITTING PEACEFUL ON TOP OF A HILL IN MILLIONAIRE'S MILE

Nestling on top of a lush hill along Phuket's Millionaire's Mile, Villa Horizon's 1700 sqm space stands out for its distinct modern oriental fusion in and outside the home. Warm wood surfaces decorate the villa's interiors, complemented by the oceanic blue ocean and sky seen through the expansive glass doors and windows.

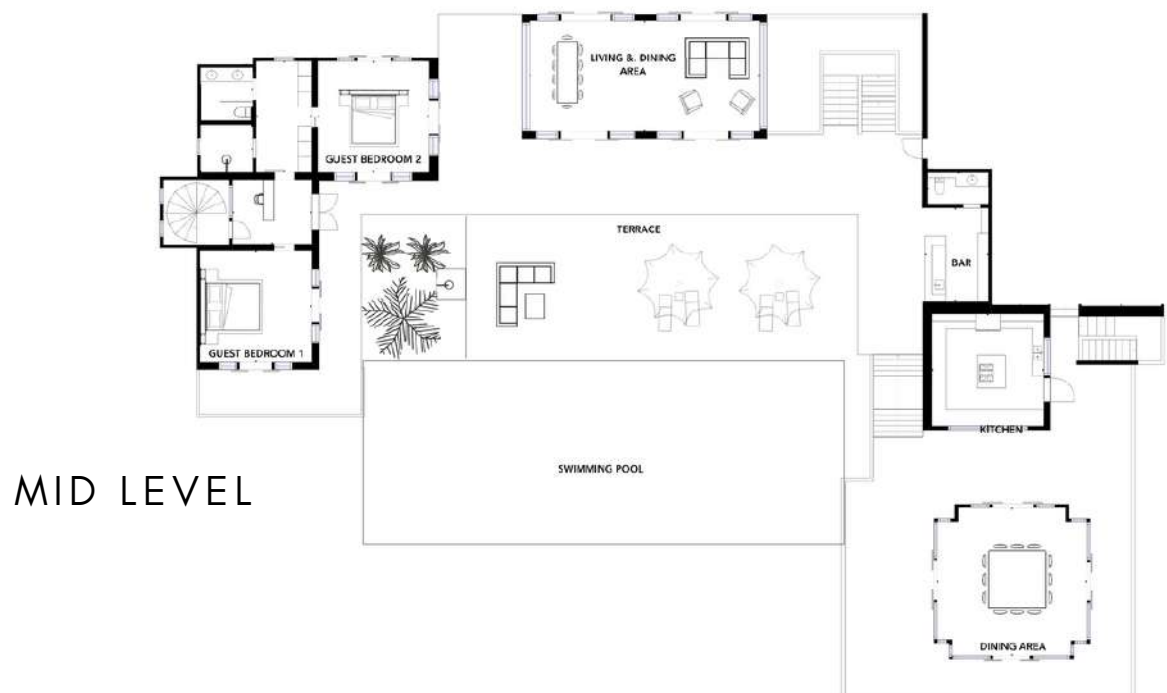

Villa Horizon's architecture and interior design are heavily inspired by conventional Asian influences, as observed through the classic furniture pieces, sculptures, intricate paintings, and other decors. However, the facilities and amenities are completely innovative and modern. The property features various rooms to keep guests entertained, including a game room, media room, fitness room, and many more.

The villa's hilltop position offers the utmost solitude and breathtaking sea and sky views. Despite the secluded location, Horizon is close to some of Phuket's best bars and restaurants, particularly in Kamala Beach.
